Dear Sir/Madam,

As you may be aware Drumshanbo Vocational School is marking its 50th year this Autumn and as part of our celebrations we are producing a commemorative magazine. The magazine will be on sale in late Summer and officially launched over the weekend of celebrations to be held during the October bank holiday weekend.

Please find enclosed a sample page from the magazine. As evident each page has a designated advertising space at the base. We are inviting you to avail of this advertising opportunity at a cost of €25 per page or €100 for 5 pages.

We would greatly appreciate your support and hope you will give us a favourable response. The closing date for receipt of sponsorship is June 11th.

Please contact the school on 071-9641085 and leave a voicemail if necessary.

Yours sincerely,

Claire Gillard
