done!

Health Promoting Schools:

From Mental Health Awareness Days, health club for examination students, random acts of kindness essay & poetry competitions—just some of the Health Promoting Schools Committee in DVS during the

Further health promoting activities on the theme of health awareness and healthy eating will continue throughout the academic year, all aimed at improving the health and well-being of the whole school community.

A talk on Breast Cancer to 5th & 6th year girls was described as “the best talk we’ve ever had” from one participant. The speaker, Rachel Fitzgerald, shared her personal experience, the speaker, Rachel Fitzgerald, shared her hand for the duration!

To keep the equality of opportunity, for which we are grateful, testicular & prostate cancer from another speaker. We thank these speakers for sharing their experiences.
